Forecast for Tuesday 15 Nov 2022

Weather: Cloudy with outbreaks of heavy rain to start Tuesday morning. The heavy rain mostly towards the Black Mountains clearing eastwards during the morning with bright, perhaps sunny spells developing for a time. However, occasional showers following, these most likely from mid-afternoon, heavy and possibly thundery. Showers may merge to spells of occasionally heavy rain.

Chance of cloud-free hill tops above 600m: 10% rising to 60% by midday, becoming 80% in the afternoon

Low cloud and visibility: Extensive cloud, base 600m, occasional or patches to 300m, beginning to lift and break from mid-morning, any cloud near or above the summits for much of the afternoon. Visibility moderate or poor in rain, and very poor at height, becoming good or very good during the morning, except in showers.
